

**REMARKS**

Reconsideration and allowance of the subject application in view of the foregoing amendments and the following remarks is respectfully requested. This Amendment should be entered under Rule 116 because it places this application in condition for allowance.

Claims 1-14, 22 and 24-32 remain pending in the application.

In response to the Advisory Action dated April 9, 2008, Applicant has amended claims 22 and 24 as suggested by the Examiner.

The Terminal Disclaimers were rejected because the undersigned Attorney is not an attorney of record. In response, a Statement Under 37 CFR 3.73(b) has been submitted evidencing that Robert Francis Squibs is authorized to act on behalf of the assignee. Four terminal disclaimers were filed on March 28, 2008, each of which was signed by Robert Francis Squibs. Accordingly, the Terminal Disclaimers are in proper form and should be entered.

All objections and rejections having been addressed, it is respectfully submitted that the application is in condition for allowance and a Notice to that effect is earnestly solicited.

The Examiner is invited to telephone the undersigned, Applicant's attorney of record, to facilitate advancement of the present application.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 08-2025 and please credit any excess fees to such deposit account.

Respectfully submitted,
